Dear AAPG Foundation Board of Trustees,

I am writing to express my sincere gratitude for being chosen as one of two recipients of the Horst and Jessie von Bandat Memorial Grant. Besides the benefit of being able to complete my proposed project on the modern marine U cycle in modern anoxic sediments, it is an honor to be chosen by the Foundation for a Grant-In-Aid.

Thanks very much for this opportunity for research and collaboration during my PhD.

Keep up the good work as a great organization!

Cordially,
