Dear Sirs,

I am writing to express my sincere gratitude for the generous grant awarded to me to support my PhD research in the Faroe Islands. It is a great honor to be chosen for the J. Elmer Thomas Past Presidents Memorial Grant Award: I enjoyed reading about his background and learning of his importance in the founding of the AAPG, and so to be awarded a memorial grant in his name, and all deceased past presidents' names, is very special.

I am very much looking forward to undertaking my fieldwork with the support of AAPG. This fieldwork will provide new and important data for my PhD research here at the University of Glasgow, and I really cannot thank you enough for making the opportunity of carrying out fieldwork in the Faroes possible!

Once again, thank you very much for supporting my research. I look forward to writing you a report following completion of my fieldwork.

A handwritten signature in cursive script that reads "Rachael Ellen".
