Dear Board of Trustees,

I am writing this letter to express my heartfelt gratitude to been selected by the AAPG Grants-in-Aid Committee to receive the SEAPEX Named Grant.

As the only one student of China to win this great honor, I was deeply appreciate to you agreement with my research thesis, "Study on the anomalous porosity of sandstone reservoirs and over-pressured compartment in Dong Ying Depression, Northeast China". Up to now, there's still a lot of work need to be done and the research funding is always limited, therefore, this grant is urgent needed. Thanks for your un-stingy recognition and generous donation.

I would also like to thank you for giving me the priority to release my research abstract in AAPG publications. I will work more hard to further progress my researches and then submit an adequate report.

In the end, I would like to thank the South East Asia Petroleum Exploration Society for the excellent behalf in advancing the science of petroleum geology.

Thanks to all trustees for giving me this great honor, that really means a lot to me, thank you all!

Very sincerely,

Yuanjia Han

Student, China University of Geosciences
