

**Help the AAPG Foundation close the \$1.3 million gap on the *Meeting Challenges...Assuring Success Campaign!***

Your support of AAPG Foundation programs is important! It reflects your personal commitment to promoting geological programs such as scholarships and grants to university students, K-12 education, distinguished lectures across the world, research, the AAPG Bulletin and much more.

Learn more about how you can make a contribution in support of the program of your choice. The AAPG Foundation is a 501(c) (3) public foundation, qualified to receive contributions in support of worthwhile educational and scientific programs or projects related to the geosciences.

**Building a Better Foundation for the Geosciences**
