

**Since 1967**, the AAPG Foundation has worked diligently to provide support for the AAPG Foundation's many funds and programs. The ambitious financial campaign, "Meeting Challenges...Assuring Success" has a simple and direct goal – to raise funds to support charitable, educational and scientific activities related to the geosciences.

**Your contributions enable the AAPG Foundation to provide stable support for qualified programs and requests – even during economic downturns.**

- Dissemination of Science
- Emerging opportunities
- Student/Universities
- Education / Public Outreach
- Youth Education & Activities
